

PRESS RELEASE
FOR IMMEDIATE RELEASE

**“UNITED WE PLAY”
HERITAGE HILL PLAYGROUND
CAN BE BUILT WITH YOUR DONATION OF \$4.00!**

GREEN, OHIO —Heritage Hill Playground, a community built playground project already supported by hundreds of volunteers and local businesses, needs your donation of only \$4.00 to create a lifetime of memories for area families. The playground, named through a contest at Green area schools and unique only to Green, will have play components that reflect the historical heritage of Green as a farming community, and the state of Ohio’s influence in the space and aviation industry. Heritage Hill Playground will consist of 30,000 square feet of nonstop learning and adventure for children and adults.

The Heritage Hill Playground Committee has raised \$22,500 toward their \$50,000 goal. If each household in the City of Green donates only \$4.00 (less than the cost of a McDonald’s Value Meal) we can meet our goal and begin the building process on September 21st. The building process is much like that of an old-fashioned barn raising. Several hundred volunteers from area businesses, churches, civic groups and neighborhoods, are expected to assist in the assembly and construction of the playground. Children’s activities will be planned each day at Boettler Park while parents and grandparents work to complete the massive 30,000 square foot play area. And there is no need to bring a sack lunch as playground committee volunteers are working hard to gather donations from local restaurants and grocers to provide volunteering families with a well-deserved meal.

“This project has helped generate a great deal of unprecedented excitement, enthusiasm and cooperation in our community for a park project,” said Mike Elkins, Co-Chairman of the Green Heritage Foundation, Parks and Recreation Committee, and Chairman of the Heritage Playground Committee. “This project is more than just building a playground, it facilitates a sense of community pride and community achievement.”

Heritage Hill Playground will not be complete without your \$4.00 donation. If you can dream it, you can do it! Please help create a better place for our kids to play. The Heritage Hill Playground Committee respectfully requests that you consider sending your \$4.00 donation today. Please make your check payable to: Green Heritage Foundation, PO Box 522, Green, Ohio 44232.
